

FOXDALE VILLAGE

To: Foxdale Village Staff and Residents

From: Rodney Sepich, Meg Clouser, and Medical Home Staff

Subject: Medical Home's Updated Protocols

Date: June 10, 2020

The Medical Home will be using the alternative procedures below for independent living residents until further notice:

- 1) Medical Home staff are working through all routine appointments. You will receive a call from the medical home to facilitate the new protocols for in person appointments as well as telehealth visits
- 2) Doctor Sepich will be utilizing telemedicine via IPAD or personal device for residents in independent living when appropriate
- 3) Acute problems will be treated, so please do not wait to call
- 4) Residents that have an immediate problem should call medical home first or RN supervisor in Anthony House on off hours
- 5) Residents should call their pharmacy directly for refills
- 6) Thompsons Pharmacy and Boalsburg Apothecary are delivering all medications to apartments and cottages after being checked at the medical home
- 7) Residents who are currently receiving weekly pill boxes and daily medication will obtain their medications via Foxdale staff delivery to their apartment or cottage.
- 8) Treatments and the location for the treatments are being handled on a case by case basis
- 9) All Laboratory services are being completed at cottages and apartments with the phlebotomist getting screen upon arrival. Phlebotomist is completing services on Mondays and Thursdays between 7:30-9am

Many thanks,

Rodney Sepich, Meg Clouser, Megan Rossman, and Karen Walker
