

Foxdale Village

A Quaker-Directed Continuing Care Retirement Community

Foxdale Village Coronavirus Update

May 27, 2022

The Foxdale team continues to work diligently to ensure that we are following all recommendations being released by the Center for Disease Control (CDC), the Pennsylvania Department of Health (PA-DOH), the Centers for Medicare and Medicaid Services (CMS), and the Pennsylvania Governor's office. We need everyone's help and support in following our community's protocols in order to mitigate the spread of COVID-19. As always, the wellbeing of our residents and staff are of the utmost importance to us.

Foxdale Village is committed to transparent communication with residents and families and will balance this with our need to protect the privacy of our residents and staff. We will not release any information that might violate HIPAA privacy policies.

As of this date, Foxdale Village reports the following:

We have 1 active confirmed COVID positive healthcare residents. Our cumulative total is 19 confirmed COVID positive residents.

We have 3 active confirmed COVID positive staff members. Our cumulative total is 86 confirmed COVID positive staff members.

Continued testing of staff and residents will follow appropriate regulatory guidelines.

Independent Living Visitors

- Visitation from family and friends to the Foxdale community may take place in resident apartments, cottages, outdoor spaces and the Community Center. Masks must be worn at all times in the Community Center.
- We ask that everyone continue create social distances by remaining at least 6 feet away from each other.

Health Center Visitation and Interactions:

- Please see Visitation Guidance Information on the website.

If you have any questions about this information, please call 814-238-3322 Monday through Friday from 8:30am – 7:00pm.
